

Contac AB acquire Ljungby kablagemontering AB

Contac AB Sweden acquires Ljungby Kablagemontering AB, LKMAB, in south of Sweden. Former part owner and production manager Patrik Jonsson will remain as site manager.

“We can see significant synergies both for LKMAB and Contac. LKMAB being part of the Contac group will get direct access to a modern and cost-effective low-cost production in China which has not been the case prior. While Contac have a strong need to increase its capacity in Sweden to support growing customers locally. The new member will advance our strategic direction for continuous growth and enhanced customer support” states MD Anders Carlsson.

LKMAB will remain as an independent subsidiary.

For more information please contact Chairman Peter Busck, peter.busck@contac.se, +4670 791 4848.

Contac solutions AB is a leading supplier for cable harnesses and other electromechanical solutions. Production is made in Sweden and China with a global customer base. With the new addition the group will have a turnover of MUSD 13 with 100 employees.
